But in everything you've always kept smiling & kept a good attitude - which is about the best thing a person could have. And you've made me smile when I was down though you probably don't realize it. I hope you succeed in college but more than that I hope you'll always find happiness.

"On my way through London, I passed a square and saw there a sword rising from a stone ... I tried to pull it out. I failed. I tried again. I failed again. Then I closed my eyes and with all my force tried one last time. Lo, it moved in my hand ... When I opened my eyes, the square was filled with people shouting: "Long live the king" ... Then I looked at the sword and saw the blade gleaming with letters of gold. That's how I became king."

Dear Nancy,
I've enjoyed knowing you for the past 4 years. Glee Club was always so fun. Hope you find a lot of happiness in the future

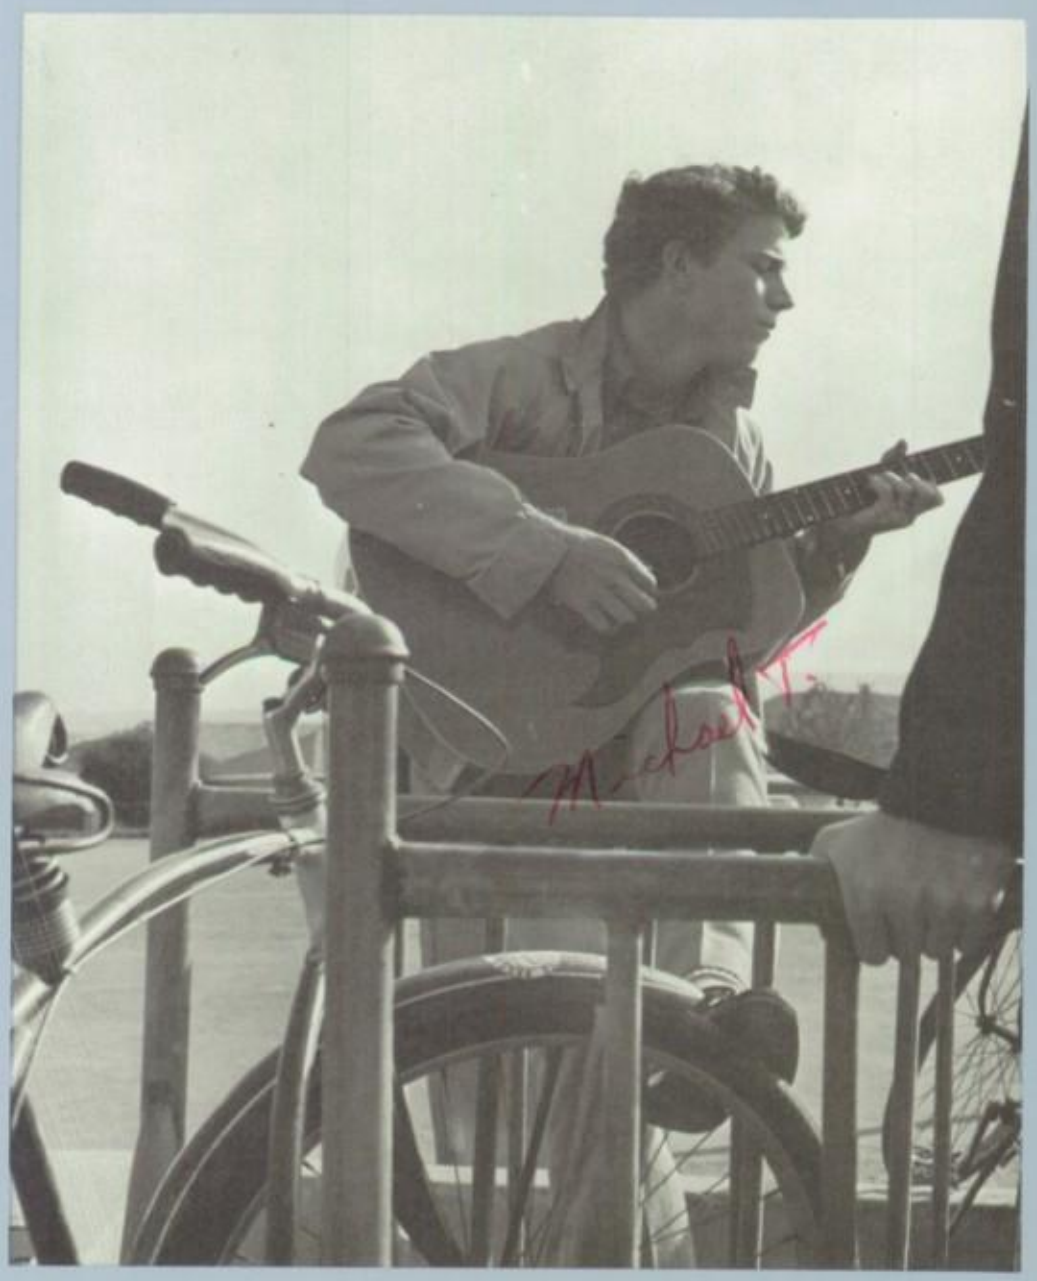
Each day dawns with a new set of problems and propositions. Each day dawns giving me the chance to choose how I will meet them. No matter how difficult my course gets, I must try to go one step further. I must lead and not be led. I must continue on when others urge me to stop.



Nancy,

It's hard to believe you'll be leaving & going out into the world. I can remember you playing one of the wicked step-sisters in your eighth grade play!

I hope you've enjoyed your years at Bishop. I've enjoyed myself, as far as I've gone, anyway. You're such a sweet person & have a really darling personality. I guess we've both come a long way since the days on the good old Torrance bus.

Well have a nice summer & I'll probably see you. I really hope you have the best of luck in your years after school. Come & visit us, poor underclassmen when you get the chance.

Love,

It is time to go. We have learned well during our time at Bishop Montgomery. It is time for us to share with others the many things we have come to know. King Arthur took all the good times of knowing and learning, and he built his Camelot. It is up to us to do the same, to create our own CAMELOT time of living.

It is with a heartful of love that we dedicate EXCALIBUR 71 to Arthur, Lord and Master of CAMELOT.

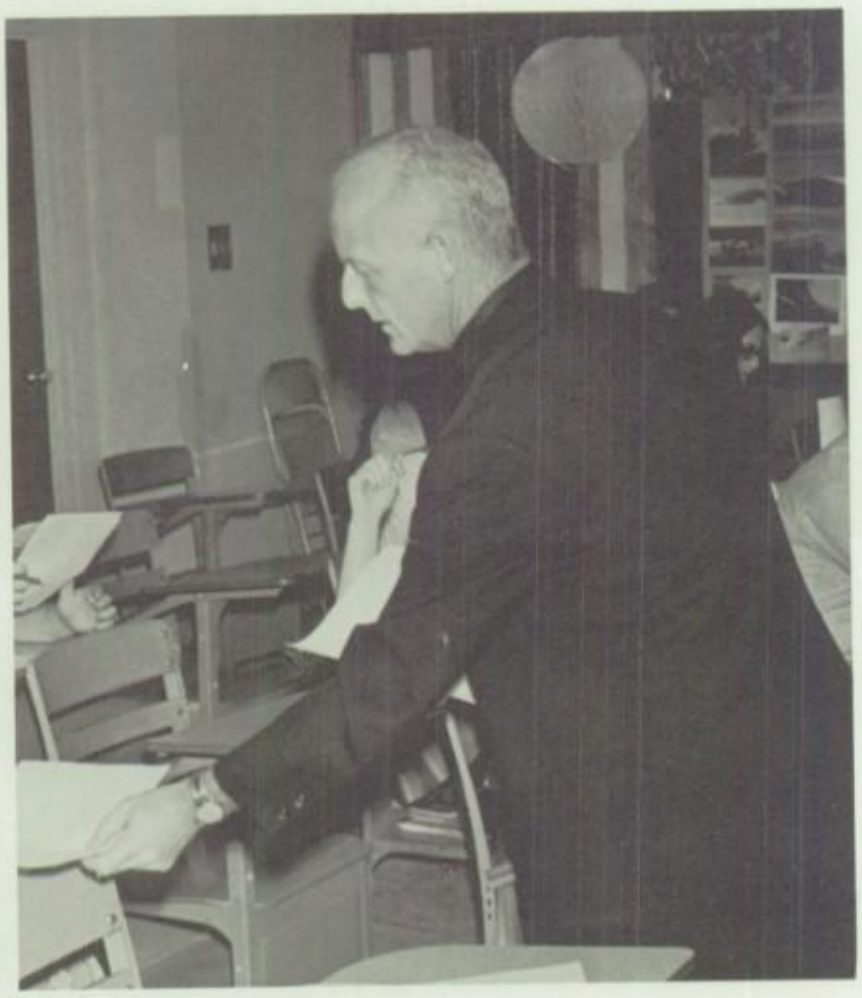
Religion Program Updated



FATHER DAVID

Religion classes this year offered "new horizons" for instructors as well as students. Courses ranged from "the Sacraments" to "Religion and the Media". For the first time in BMHS history, all religion classes were "Integrated"; that is, girls and boys sharing classes together. Needless to say, this innovation met with approval from most of the students. As for the teachers...it was considered a challenge. Probably the most difficult task was to elicit a response from the students. Pupils were often reluctant to share their ideas with members of the opposite sex present. Fortunately, most classes overcame this reluctance to participate by the end of the year, and most agreed that the new system was succeeding.

The weekend festivities included a reception at which faculty and alumni were joyfully reunited, and a semi-formal dinner dance at the International Hotel. Under the chairmanship of Teresae Ackerman and Bill York a beautiful weekend was planned around the theme "We've only just begun..." Among it's members the word drama club have become synonymous with love. No longer a club in the ordinary sense, it has become a breeding ground for understanding. Through the protrayal of different characters, cast and crew find themselves transformed into anybody from a little angel to a grief stricken Jewish father.

This year Mr. Rusch and the three hundred fifty members planned an active calendar starting with the poignant Diary of Anne Frank and ended with the super extravaganza, Camelot.

Anne Frank, the story of a young girl in Nazi Germany, was so ecstatically acclaimed that it returned for an encore performance.

On December 21, the club saw three hundred underprivileged children leave TMH with gifts and a lot of happy memories. However the people in the drama club received the best gift of all. On that day three hundred small children gave them hearts full of love.

Mr. Regalado grins broadly as he receives the Sweepstakes trophy at the Fall Novice Tournament.

The 1970-1971 year proved to be quite successful for BMHS's chapter of the NFL. Mr. Regalado, moderator, and his students were kept even busier than usual, since BM hosted several tournaments this year. In spite of the relatively small size of the squad, these NFL'ers distinguished themselves as skillful speakers in competition with other high schools in the division. Such well-earned trophies as the Sweepstakes for Interpretive Events and the Grand Sweepstakes, won at the Fall Novice Tournament, were only two of the many awards that NFL'ers proudly displayed in their "home away from home," Rm. 201. With so many underclassmen in the club, the Bishop Montgomery NFL can look forward to years of successful competition in the Southern California Forensics Association.

Knight Life Lives!

Knight Life is alive and living at Bishop Montgomery High School. The publication took on an air of professionalism with the incorporation of a new format. A new layout design along with a special heavier paper added prestige to the written word. The paper retained the high writing standards set up by previous editors and staffs. Many of the people who were on the paper last year returned, and this was instrumental in turning out an extremely worthy paper. The Knight Life Staff deserves a sincere thank you from all the students who were so enjoyably informed by the newspaper.

How could the faculty lose?

G.A.A.

The Girls Athletic Association encompassed many projects this year. It was sponsor to numerous activities that involved the entire female population of Bishop Montgomery. Fathers of daughters were entertained and well fed at the annual G.A.A. Father-Daughter Night. The Senior vs. Faculty volleyball game was a happy battle that ended in a victory for the teachers side. The G.A.A. sponsored fashion show had a great turnout. It was an aesthetic experience for all those fortunate enough to attend. The G.A.A. was successful in liberating the creative spirit that is inherent to all girls.

Oh, the Little People!

The seldom heard of faithful helpers, that have done the jobs that have needed doing. They quietly appeared at their posts and performed their duties efficiently. Let us give these people a warm and hearty "thank you." Although they receive little recognition or esteem, we reserve a place in our hearts for them. It is now time to give them the praise they have earned.

Have you ever thought of what a hardship your life would be without a nice, cold plastic carton of chocolate milk to go with your lunch? Milkmaids, we thank you!

Teachers, have you even considered the idea of trudging all the way to the front office, just to find out who's absent? Of course not. For this we absolutely depend on our never-tiring office girls. Those young women, with never-ending energy, canvass the halls with secret messages for teachers. Office girls, we thank you!

In passing out praise, we mustn't forget those girls who, with flag-raising hearts, raised our flag. Flag girls, we salute you!

We also wish to thank our brilliant microphone crew. They have always been there to correct any ear-screeching malfunction. Microphone men, our ears thank you!

These are the people who have kept our workshop running smoothly. THANKS to you all!

Concordia, alias Dress Board, gave the girls of our school a standard which was happily lived up to. The girl of the month has continued to be an interesting aspect of the girls' assemblies. Concordians are dedicated to Bishop Montgomery and its many inhabitants. They are happy to help, and we are happy to have them.

Block M has spent its time well by rendering its important services to our school. The halls were protected from utter chaos through their vigilant patrolling. Appointed members of the club passed out programs and ushered at the games. They undertook some interesting and diversified projects in order to obtain money. The traditional pancake breakfast and car wash sent people away with happy taste buds and clean cars. Aside from these stimulating sidelights, Block M also fulfilled its main duty: to support the school.

Council Initiates New Ideas

The ruling body of the school consisted of a busy group of students. The body of the council was made up of class presidents and vice presidents. This gave all the classes a voice in matters pertaining to school.

The council activated many interesting projects which proved to be a great success. The tenth annual Homecoming was a glittering spectacle enjoyed by all. The first annual girl-ask-boy dance was a delightful twist of events, and student council could be thanked for initiating it. The council also lent their whole-hearted support to the spring fiesta. The student council involved itself with the task of involving others.

The Knights opened 1970 play with a disappointing 7-0 defeat against a tough Santa Maria squad. The defense turned in a stellar performance, but the offense could not come together and was muffled as the Knights succumbed.

Traveling to Pius, the knights scored a surprisingly easy victory, winning 20-7. Combining a hard-driving offense with a stingy defense, Montgomery built a solid lead and kept applying pressure the second half.

In an important sectional battle, the Knights continued their winning ways with a 14-6 victory that was not as close as the score indicates. Linebacker Rich Bongard led the defense again which so far had allowed a total of three touchdowns in three games.

Playing on the Padres home field for Lasuen's Homecoming game the Knights spoiled the evening by shutting out their rivals 7-0. Rudy Echavvaria scored the only touchdown on a short plunge as the defense controled the game.

In a command performance against the Crusaders, the Knights scored an easy 35-0 victory. Mark Pettit and John Gately each scored two touchdowns to lead Montgomery, and Jim Keating set a school record with an 86 yard run on the game's last play.

Playing before a Homecoming crowd of 7,000, Bishop turned in its finest performance of the season, defeating St. Bernards 26-8 for the league championship. Hal Pope scored 3 touchdowns and consistently picked up big yardage as the offense came to life smashing the Vikings defense apart.

Meeting the champions of the tough Garden Grove League, the Knight's defense came up with the big effort as they constantly stalled Mariner drives and held off a late Pacifica rally to win 14-9. Rudy Echaverria sparked the offense with a 55 yard run on the second play from scrimmage. Hal Pope scored the game winner on a short plunge to give the Knights their first CIF victory.

Playing Coach Antista's alma mater West Covina, the Knights' season came to an abrupt end as the Spartans dealt the Knights a 21-14 defeat. The Knights appeared to be in control at halftime with a 14-7 lead on two of Ken Makos's passes, a screen to Pope and a bomb to Tony Saldana. However, the defense could not stop the Spartan passing game and the offense stalled in the second half as the Knights succumbed.

Under Coach Fred Diocson's inspirational leadership, with assistance from Frank Aguirre and Tom Hanson, the Junior Varsity completed a highly successful season, finshing with a 6-3 season. The team was carried this year by returning Andy Echavarria, who led the team with his exciting running and pass receiving. He had a fine supporting cast which featured Jim Andrade, Tom Hoffman, and Frank Rizzo.

John Ninnis Leads Knights to a 5-2 Season

This year's Cross Country season began with a loss to Crespi. The squad, however, not to be outdone, put their minds to victory and ended the season with five wins and two losses.

Mr. Mark Ule coached the team and Senior, Hans Schneider assisted him. All meets were held at Centinela Park.

The squad consisted of John Ninnis, Michael Price, Michael O'Brien, Brad Williams, Dave Price, and Freshmen Mike Garvey and Charley Babin.

The Hawthorne Tournament was a high point in competitive action since the Knights brought home the Consolation Trophy. The Inglewood Tournament, with a Second Place Trophy, exhibited the Knights teamwork.

Tennis Team Hopes for Cont'd Success

Tennis is a wonderful sport and Montgomery has fielded some wonderfully successful boy's teams in recent years. The 1971 line-up places four returning seniors, Steve Fernandez, Camilo Becdach, Joe McFaul, and Vince Corso in the singles positions. Darryl Patenaude, Richard Robinson, Mike Foley and Mike Butt complete the Varsity as the doubles players, however this roster should fluctuate throughout the year. Bob VanDrak is the very generous volunteer tennis coach again this year.

A lot of past talent won't be returning this year and the team feels it will be a tough season. They hope to compile a winning record again however, and continue to make tennis the most successful sport at BMHS. This year they face all the nearby schools and will also enter several tournaments.

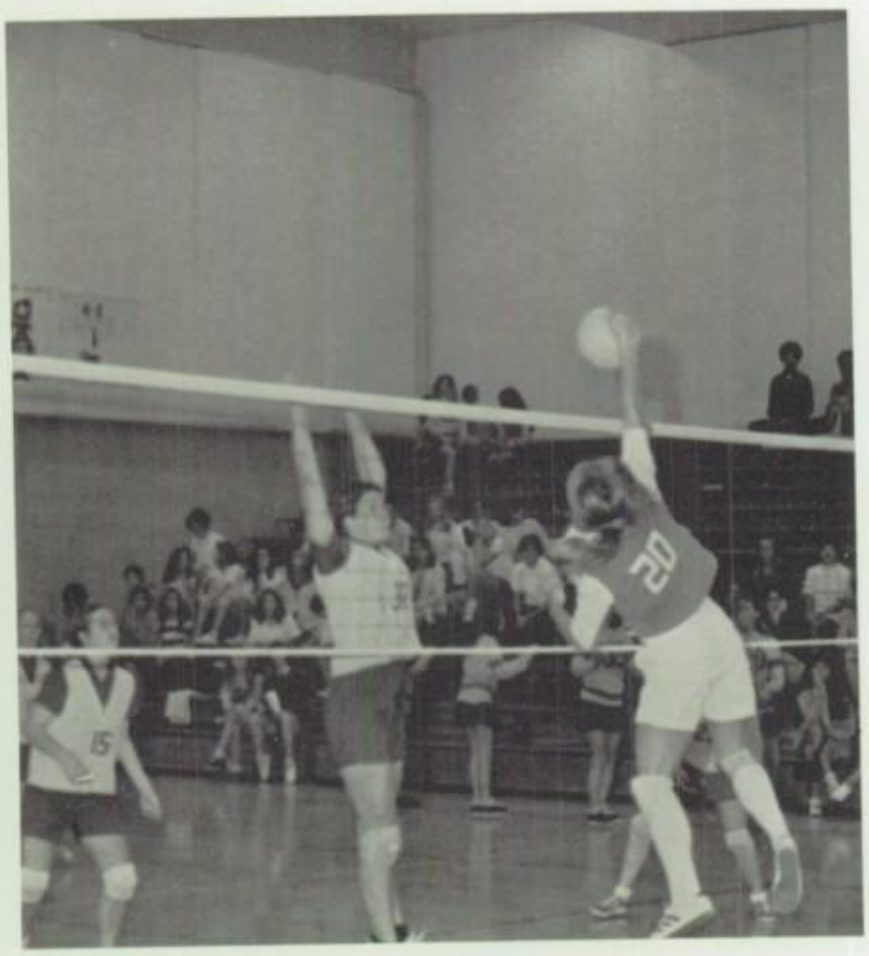
Pre-game strategy talk.



Julie Bruce tries to stop a spike.

Under the guidance of Miss Quijano the girls had a 9-2 season in league play. Captain Julie Bruce and Co-Captain Paula Delsol helped spark the team to achieve their remarkable record and place third in the league.

The JV's also had a 9-2 season under the watchful eye of their coach, Miss Beard. They placed second in their league with Cindy Constantino as Captain and Anne Ramstead as the Co-Captain.

Girls Are El Camino Consolation Champions

Varsity Girl's basketball took the Consolation Trophy at the El Camino College Tournament.

Our Varsity Girl's basketball has done very well this season. We have a very young team, with only one senior, Kathy Dineen. Our most outstanding players are Kathy Dineen and Teri Shine. The Captains are Dineen and Beard.

The J.V.'s were coached by Miss Quijano who prepared her girls for their coming year in the Varsity.

Girls Post Outstanding Season

Under the determined guidance of their new and dedicated coach, Sr. Michele Marie, the girl's tennis team put together an outstanding season. Freshman Cecelia Fernandez, very likely the future Tim Ott for girl's tennis, promptly took over the number one spot with DeeDee Herrera and Stephanie Barrett at second and third singles. Player-manager Sue Kinane played fourth singles and the doubles combinations of Jody Robinson and Lili Garcia, and Janel Parker and Mary Stadler filled out the '71 line-up. The team showed wonderful consistency winning many tough matches with strong individual performances by all the girls. They finished second in a very tough league losing only one match to South High.

G.A.A. CHEERLEADERS: C. Metzler, C. Wagner, D. Whitman, M. San Miguel, P. Pudewa.

GIRL'S SWIM TEAM FRONT Miss Kennelly, M. Carron, K. Crawford, J. Griffith; MIDDLE S. Weir, J. Even, B. Erickson, A. Hubbard; BACK D. Bukaty, B. Robinson, M. Galichon, J. Andrade, I. Dubis.

The girl's swim team, coached by Miss Kennelly and led by captain, Marla Mason has enjoyed a vigorous season. The team played in a tough eight team Catholic School league and participated in an Invitational Meet.

The Girls Athletic Association cheerleaders were always a pleasant addition to the girl's sports events. These five perky girls added color and spirit to all the games. Setting a Montgomery precedent, the girls entered a cheerleading competition, making faculty and students very proud. The G.A.A. cheerleaders were definitely a contributing factor to the successful year enjoyed by the girl's sports department.

Freshmen

A freshmen is 14 years old and laughed at. He begins his career at Bishop Montgomery by standing in line, buying books, getting lost, and being told what to do.

By the second week the chaos has worn down and the atmosphere becomes alive with excitement. The Freshman finds football games to attend, people to meet, and a whole new course of his life opening up to him.

Finding his place in Montgomery life, he sees that that high school means studying. Algebra, Modern Language and Fine Arts are all studied, along with World History, English, and Religion.

In December the Freshmen elected Jim Hanten as their President and Diane Giarrusso as their Vice-President. Mary Hellman seved as secretary and Jim Carreras was chosen as treasurer.

Sophomores

After a year of high school and a summer on the beach, there is nothing a Sophomore doesn't know.

"If your in the stands for the JV game, you don't have to pay to see the varsity game."

"Iggy or Louie will give you a library pass."

"Hey, you can take Drivers Training on Saturday at Mira Costa."

Sophomores are easy to spot. They look like Freshmen but are a bit aged by both experience and self confidence. They laugh a lot, think mixed Religion classes are the greatest, and wouldn't miss a basketball game.

Juniors

From the first day of school when he seves on the Freshmen Orientation Committee, the Junior begins to accept the fact that he has become an upperclassmen.

Be it the amazement of Chemistry with Sister Joan or the unforgetable experience of an English class like Mr. O'Keefe's, the junior's classes are unlike any others previously experienced. More emphasis is given to "getting that grade" because of the colleges that will soon be applied to and the Pre-SAT test is taken.

Despite its work, the Junior year is filled with the newly acquired driver's license, weekend trips, a backwards dance and a Junior Prom. It also includes Beach Boys records and Mission Marathons if Father Ignatius happens to be your homeroom teacher.

The Class of '72 was led by Tim Cunningham and Kelly Moore. Secretary was Terry Hellman and the Treasurer was Rita Marsaille. Junior religion teachers Friar George and Sister Elizabeth moderated this unusual class.

All year long the Seniors eyes are set on Graduation Day. Beyond that lies college for many, marriage for some, and the army for others. In the mean time he wears his "Bishop Montgomery—love it or leave it" button with pride as he waits for time to pass.

He is eighteen years old and beginning to learn how much the world has to offer. He wants to meet people and go places.

Members of the class of 1971 presented their memorable talent show in February. On a balmy May evening their prom was held at the Newporter Inn in Newport Beach.

Nancy,

I sure am glad that we had Religion together this year I really got a chance to know you a lot better. One thing I'll never forget about Religion is the time when we were suppose to do that Religion report for Fr. Max and we were all absent and we didn't get to make it up and we still got a good grade!

Well, Nancy, we really have had some great memories these 4 years.

You are a really great person and will go a long ways in the world.

Best of Luck always.

It is with tearful eyes that we say "adieu" to room 307 and Mechanical Drawing. Into the morgueish halls we crept daily; no longer will we be able to greet the rising sun. Good-bye teapot and hot chocolate.

Our warmest appreciation goes to the '71 Excalibur staff, whose unceasing dedication led to the ultimate in journalistic achievement... the 1971 Excalibur!! Added thanks for coming on all those Saturdays and Sundays to "meet" the deadline.

Also there is someone who deserves more praise than we could ever put into words. He has been more than an advisor; a friend, a confidante, a morale booster. Father Max we want to thank you for making our stay with Excalibur a memorable and beautiful experience. More thanks go to Mr. Dennis Scott and Mr. James Weber whose perseverance was greatly appreciated. Finally we thank the student body for their support and willingness.

Love 'ya forever,

Nancy
We really have just got to know each other though. It was really neat as I escavate through the past I remember you have the car I want so if you want to trade your Nova for my three wheeler it's a deal. It got so much more than a car. Sun roof, air conditioning and yes three not four tires. See during the summer
Hans
